

FOUNDATION IN ARTS FOUNDATION IN SCIENCE

OUR MISSION

To help people succeed in life and to live a life of significance through education

OUR VISION

- To be a university with a strong culture of quality and leadership that focuses on sound academic standards, continuous improvements, and the talent development of students and staff
- To be a university that offers a learning experience that enhances career development, lifetime values and personal fulfilment
- To be a university with a strong research focus in our key areas of excellence
- To be a university that shares our success with the stakeholders and communities we serve

OUR VALUES

- Pride of Achievement
- Sharing Success
- The Courage to Be
- To be Compassionate
- To be Significant

FOUNDATION FOR THE FUTURE

The role of education has evolved and has undergone a paradigm shift from one which focuses on purely imparting knowledge one that focuses on nurturing resilient individuals for the global job market. We live in turbulent times where volatility, uncertainty, complexity and ambiguity (VUCA) is the order of the day.

There is a pressing need to embrace change and to meet the demands of the global environment filled with a myriad of challenges. The right type of education is what determines success or failure.

What is truly needed is an all-encompassing education that takes cognisance of student needs and catering to their multiple intelligences. Every student is different, and it is imperative to recognise their true potential. Finding their passion and building resilience is key to overall development.

The pre-university stage is a critical period for human capital development. The focus of this stage has to be on assessing student attitudes and aptitudes and determining their suitability for different professions. Thus, the premise of HELP Matriculation Centre's Foundation in Arts and Foundation in Science programmes is to provide an environment and a platform for students to free their minds from prejudices and insecurity and prepare them for the path ahead with the right values, competencies and confidence.

The Foundation programmes' international recognition lends credence to the quality of the course. Students have the flexibility to choose from multiple disciplines, whether locally and abroad, when the time comes for them to enter university.

At HELP Matriculation Centre, we believe not only in preparing our students to become employable graduates, but we also believe strongly in the importance of creating

principled graduates who will be conscientious and respectful to the environment that we live in. Students who are prepared to deal successfully with the volatility, uncertainty, complexity and ambiguity of the current world need one important thing: a strong Cutting Edge foundation for the future.

Dhanesh Balakrishnan
Dean, Faculty of University Foundation Studies

PROGRAMME EDUCATIONAL OBJECTIVES (PEO)

- Produce students with relevant knowledge and thinking skills to meet the demands of undergraduate study.
- Produce students who are able to execute scientific and practical skills with the ability to collaborate and communicate effectively in preparation for undergraduate study.
- Produce students who demonstrate competency in using digital applications and essential numerical skills to meet the demands of undergraduate study.
- Produce responsible students who show continuous desire in autonomous learning for undergraduate study.

PROGRAMME LEARNING OUTCOMES (PLO)

- Demonstrate adequate knowledge and understanding required for undergraduate study.
- Use critical and creative thinking skills required for undergraduate study.
- Practice a range of practical skills required for undergraduate study.
- Express effective verbal and non-verbal communication required for undergraduate study.
- Use digital applications to gather and present information required for undergraduate study.
- Demonstrate essential numerical skills for undergraduate study.
- Adopt personal responsibility with minimal guidance required for undergraduate study.
- Initiate autonomous learning and adopt an inquisitive mindset required for undergraduate study.

HELP MAKE YOUR CAREER WITH A STRONG

F	Flexible programmes offering various options	
O	Optimistic worldview	
U	Unique and unrivalled comprehensive curriculum	
N	Nurturing right values	
D	Data driven to meet the demands of IR4.0	
A	Analytical and creative thinking emphasised	
T	Talent and character build winning personality	
I	Innovative and different	
O	Other Centred	
N	Novel – challenging students to venture into uncharted territory	

OUR VISION

To be a university with a strong culture of quality and leadership that focuses on sound academic standards, continuous improvement, and the talent development of students and staff.

To be a university that offers a learning experience that enhances career development, lifetime values and personal fulfilment.

To be a university with a strong research focus in our key areas of excellence.

To be a university that shares our success with the stakeholders and communities we serve.

OUR MISSION

To help people succeed in life and to live a life of significance through education.

FOUNDATION IN ARTS

(R3/0011/3/0050) (07/29) (A10668)

PROGRAMME

- 50 credit hours
- 3 semesters / 14 weeks per semester
- 13 courses (9 core + 4 electives)
- Coursework / Assignments – 50% and Examination - 50%

SEMESTER 1 COURSES (5 core = 18 credit hours)

- Intermediate English (4 credit hours)
- Finite Mathematics (4 credit hours)
- Computing Principles (4 credit hours)
- Study Skills (3 credit hours)
- Personal Development and Leadership (3 credit hours)

SEMESTER 2 COURSES (2 core + 2 electives = 16 credit hours)

- Advanced English (Pre-requisite: Intermediate English) (4 credit hours)
- Critical Thinking Skills (4 credit hours)
- 2 Electives

SEMESTER 3 COURSES (2 core + 2 electives = 16 credit hours)

- Culture, Arts and Politics (4 credit hours)
- Statistics (4 credit hours)
- 2 Electives

ELECTIVES* (each elective subject = 4 credit hours)

- Principles of Accounting
- Introduction to Business Principles
- Calculus
- Fundamentals of Early Childhood Education
- Economics Principle
- Introduction to Human Communication
- Introduction to Legal Studies
- Introduction to Marketing
- Introduction to Programming
- Public Speaking and Presentation Skills
- Psychology for Personal Development
- Introduction to Tourism and Hospitality

* Subject to availability

FOUNDATION IN SCIENCE

(R3/0011/3/0049) (07/29) (A10667)

PROGRAMME

- 50 credit hours
- 3 semesters / 14 weeks per semester
- 13 courses (8 core + 4 Sc Core + 1 Elective)
- Coursework / Assignments – 50% and Examination - 50%

SEMESTER 1 COURSES (5 core = 18 credit hours)

- Intermediate English (4 credit hours)
- Calculus (4 credit hours)
- Computing Principles (4 credit hours)
- Study Skills (3 credit hours)
- Personal Development and Leadership (3 credit hours)

SEMESTER 2 COURSES (2 Core + 2 Sc Core = 16 credit hours)

- Advanced English (4 credit hours)
- Critical Thinking Skills (4 credit hours)
- 2 Sc Core

SEMESTER 3 COURSES (1 Core + 2 Sc Core + 1 Elective = 16 credit hours)

- Culture, Arts and Politics (4 credit hours)
- 2 Sc Core + 1 Elective

SCIENCE CORE (must complete two sets)

(Each core course = 4 credit hours)

- Biology I: Molecules, Cells & Energy
- Biology II: Systems & Functions (Pre-requisite: Biology I)
- Chemistry I: Elements, Compounds & Organic Chemistry 1
- Chemistry II: Thermochemistry & Organic Chemistry 2 (Pre-requisite: Chemistry I)

ELECTIVES* (each elective subject = 4 credit hours)

- Finite Mathematics
- Introduction to Programming
- Physics I: Mechanics, Light & Optics
- Psychology for Personal Development
- Statistics

* Subject to availability

ENTRY REQUIREMENTS

FOUNDATION IN ARTS

- 5 SPM/SPMV Credits including a pass in Bahasa Melayu and History
- 5 O-Level credits
- 3 Bs in UEC
- Other equivalent qualifications recognised by the Malaysian Government

FOUNDATION IN SCIENCE

- 5 SPM/SPMV Credits. At least a credit in Mathematics and 2 Science subjects (Biology/Chemistry/Physics) and a pass in Bahasa Melayu and History.
- 5 O-Level Credits. At least a credit in Mathematics and 2 Science subjects (Biology/Chemistry/Physics)
- 3B's in UEC. At least a credit in Mathematics and 2 Science subjects (Biology/Chemistry/Physics)
- Other equivalent qualifications recognised by the Malaysian Government

ENGLISH REQUIREMENT

FOR INTERNATIONAL STUDENTS

- IELTS = 4
- TOEFL = 30-31
- MUET = 3
- PTE = 36

Students are exempt from the English Requirement:

- If they are from English speaking countries.
- Has IGSCE, IB, American Highschool Diploma, SPM or any other recognised qualifications.

INTAKES

January, May, July, September

ADDITIONAL PREREQUISITES

Students wishing to pursue the following undergraduate programmes are required to meet the following prerequisites in SPM or equivalent qualifications:

ACCOUNTING & FINANCE

- Credit in Mathematics
- Pass in English

BUSINESS

- Pass in Mathematics and English

COMMUNICATION

- Credit in English

COMPUTER SCIENCE / SOFTWARE ENGINEERING

- Credit in Additional Mathematics

INFORMATION TECHNOLOGY

- Credit in Mathematics

PSYCHOLOGY

- Credit in Mathematics
- Credit in one Science / General Science subject
- A in English

TEACHING ENGLISH AS A SECOND LANGUAGE

- Pass in English

DENTISTRY, MEDICINE AND PHARMACY

- 5 Bs each in Biology, Chemistry, Physics, Mathematics (or Additional Mathematics) and another subject

BUSINESS

(Accounting, Banking, Economics, Entrepreneurship, Hospitality, Human Resources, International Business, Marketing, Management)

SIGNATURE PROGRAMMES

Community Service

Leadership Camp

HMC LEADERSHIP PROGRAMME

One of HMC's strong beliefs is that developing character is just as important as providing an all-rounded and holistic education. True to that belief, HELP Matriculation Centre's programme has introduced a leadership camp to nurture the students' character.

At the camp, students are motivated to uplift their sense of self-worth as well as encourage them to acquire important qualities such as self-ownership, effective communication, leadership and teamwork as well as planning and flexibility for future endeavours.

HMC COMMUNITY SERVICE

Apart from striving for academic excellence, students completing their foundation studies at HMC are required to contribute to society via community service. By engaging in the volunteer work, they have an opportunity to learn experientially.

Not only does this experience allow students to make more informed choices about college and future career options, it also instils in them a lifelong interest to help others in need.

Community Service

DEAN

DHANESH BALAKRISHNAN

**LLB (Hons) (London), LLM (UKM) CLP, MBA (CSturt), Certificate in Taxation (HELP)
Dean, Faculty of University Foundation Studies and Senior Lecturer**

Dhanesh joined HELP University in 1994 as a Lecturer. He has taught various subjects at the pre-university and the undergraduate level. Dhanesh travels extensively locally and abroad giving talks on holistic

education. In addition, he conducts seminars for the benefit of teachers. The topics include handling difficult students, teaching and learning, classroom management and leadership in the education sector.

HEAD OF DEPARTMENT

LIM CHEAU YANN

**BSc (Econs) Hons, MPA (Pub Policy) (Malaya)
Senior Lecturer**

As the Head of Department, Lim Cheau Yann oversees all academic and administrative matters of the department. She is responsible for ensuring the department is in line with the university's vision and mission and to nurture the growth of the department on par with the Industrial Revolution 4.0.

DEPUTY HEAD OF DEPARTMENT AND QUALITY ASSURANCE

NG YOU MING

**BForestry Sc (First Class Hons), MSc (Youth Studies) (UPM)
Senior Lecturer**

The Quality Assurance Division aims to maintain the integrity of proper documentation at the departmental level. The division coordinates and collaborates with the Department Academic Board (DAB) in ensuring the documents are regularly updated and are in line with the requirements of Malaysian Qualifications Agency (MQA) and the Ministry of Higher Education (MOHE).

DEPARTMENT ACADEMIC BOARD

IRMA HERAWATI

**BA (EngLit) (Tennessee),
TESL (American Associate Degree)
Senior Lecturer**

Irma Herawati manages the Department Academic Board which oversees the quality of the courses provided in the department. The purpose of the Department Academic Board is to ensure the highest quality of teaching and assessment is maintained in the department. The Board comprises all academic staff of the department.

PROGRAMME LEADERS

SANGEETHA MURTY

A DAY IN HELP SUBANG 2

Life in HELP is more than studies and exams. We are a lively and enriching community, offering a diverse range of fun activities and events, and top notch facilities.

7.30 AM

Start a new day by preparing for your classes at the open access computer laboratories in the library.

8.00 AM

Attend your first class of the day in one of the many classrooms and lecture halls.

12.00 PM

Grab a tasty lunch or treat yourself to a coffee under the green boughs in the gardens.

1.00 PM

Got a question? Have a chat with the education advisors at the Customer Marketing Department.

1.30 PM

Attend a talk by one of our many guest lecturers in our spacious multi-purpose hall.

3.00 PM

Check in to the library to recharge yourself with a quick nap or read in the naturally lighted spaces.

4.30pm

Take a break and challenge your friends to a game of pool or hang out in the spacious student lounge.

5.00pm

Take a dip in the swimming pool or break a sweat in the football field or tennis court.

6.30pm

Worried about the rain? Well, you can always get active with some sporting activities in our indoor hall.

8.00pm

Wind down and chill or catch up with your studies before the library closes at 9.30pm.
