Master in Investment and Wealth Management

Humanising Disruptive Learning

ELM Graduate School:

Preparing industry-ready professionals, researchers and leaders

The ELM Graduate School (ELMGS) boasts a strong and fine tradition of reliably delivering successful postgraduate education as well as continuing education and professional development programmes. Its master's programmes offer students a wide range of specialised learning opportunities. It imparts business skills and cultivates their entrepreneurial leadership potential for the highly globalised economy. Its research-based master's and doctoral programmes prepare students for careers in academia and industry in the disciplines of Business, Economics, Accounting and Finance, Operations, Human Resources and Organisational Behaviour, Business Analytics, Sales and Marketing, Entrepreneurship, Strategy.

ELMGS:

- Offers professional development programmes in the areas of entrepreneurship, leadership and management;
- Nurtures competence and confidence in ambitious individuals to adapt to a rapidly changing and challenging business environment, effectively developing their careers across the different sectors and industries;
- Provides affordable, flexible quality graduate education and upholding HELP University's mission to help people succeed in life and lead a life of significance through education;
- Has one of the largest alumni of successful individuals in academia, business, government, and NGOs;
- Has a diverse population of international students from more than 20 countries studying part-time and full-time;
- Enables students to develop personal, consultancy and research competencies to undertake rigorous research at an advanced level that contributes to theory and practice in business and management; and
- Is centrally located at Damansara Heights between Kuala Lumpur and Petaling Jaya, in a select neighbourhood providing a convenient and conducive venue for postgraduate studies.

Master in Investment and Wealth Management (MIWM)

(N/0412/7/0006) (01/31) (MQA/PA16989)

Accredited by MQA, the HELP MIWM enable learners to master practical tools and analytical models through simulations in financial analysis, planning, wealth, and portfolio management. Sharpen their ability to identify success factors, track performance, and develop solutions across investment stages. This program prepares you for leadership roles in the industry by developing skills to identify profitable opportunities

and turn ideas into successful businesses. Ideal for finance executives and high-net-worth individuals.

HELP University learners come from more than 80 countries in the world. Join our flexible, accredited programme and be part of a vibrant, diverse learners' body.
