ALUMNI TESTIMONIAL

"The Psychology programme at HELP University provides rigorous academic training and equips students with critical skills for the modern workplace. Its strong focus on research and statistics fosters analytical thinking to solve complex problems. Through diverse activities and assessments, I developed emotional intelligence and the ability to work independently and in teams. For a world-class education in Psychology, choose HELP University."

Elaine Fernandez
Bachelor of Psychology (Honours)
First Class Honours

"Studying psychology at HELP has strengthened my empathy and resourcefulness, enabling me to understand clients' perspectives while using research tools to support them in my practice as a sport psychologist. HELP also instilled in me the importance of ethics in research and practice, which I uphold in my work today."

Hwu Ning
Bachelor of Psychology (Honours)
First Class Honours

"Memorable would be the best word to describe my 2½ years as a HELP Psychology student. Beyond classroom theories, forward-thinking lecturers empowered us to push our critical thinking and research skills. HELP's partnerships, Research Colloquiums, and Symposiums gave us a taste of the real world."

Esther Goh
Bachelor of Psychology (Honours)

"My studying experience at HELP University has definitely shaped me in terms of leadership and people relational skills through the many opportunities offered in participating in various extracurricular activities. Additionally, the holistic Psychology programme has enhanced not only my knowledge and career skills but also my personal growth."

Rachel Gomez
Master of Clinical Psychology

HIGH-ACHIEVING GRADUATES, MAKING A GLOBAL IMPACT

Dr Edward Ong is a chartered psychologist specialising in child maltreatment, parenting, and the legal, cultural, and policy aspects of child and family mental health. With a background in forensic clinical psychology, he earned his PhD from the Centre for Forensic and Criminological Psychology at the University of Birmingham. He is now a lecturer at Coventry University, where he leads cross-cultural research on perceptions of child maltreatment across forensic populations and works on improving cultural competency and risk assessment using VR technology.

Dr Edward Ong
PhD, University of Birmingham

Rachel Loh was the sole recipient of the prestigious Tan Sri Datuk Paduka Hajjah Saleha Award and a Global Champion of the Maybank GO Ahead Challenge (MGAC) 2017. Her team won a cash prize of USD 40,000, and she individually received USD 1,000. Rachel also gained valuable international experience through her internship at Maybank's New York branch.

Rachel Loh
Bachelor of Psychology (Honours)
First Class Honours

UNLOCKING A WORLD OF OPPORTUNITIES

- Diagnostic Testing
- Child Development, Health and Dysfunctions
- Adult Development, Health and Dysfunctions
- Family Systems Theory and Therapy
- Cognitive Behavioural Theory and Therapy
- Clinical Neuropsychology
- Clinical Research and Evaluation Skills
- Internal Practicums
- Professional Issues: Ethics, Conduct and Law
- External Practicums
- Clinical Research Project
- Clinical Competency Evaluation
- Group Process

MASTER OF PHILOSOPHY (PSYCHOLOGY)

(R/0313/7/0020) (10/32) (MQA/PA10468)

DOCTOR OF PHILOSOPHY (PSYCHOLOGY)

(R/0313/8/0004) (10/32) (MQA/PA10469)

The Master of Philosophy (MPhil) & Doctor of Philosophy (PhD) in Psychology programmes are designed to provide graduate students with the opportunity to conduct research in different areas of psychology, under the supervision of an experienced academic staff.

INTAKES

January, May-August, October-December

PROGRAMME DURATION:

MPhil: Approximately 2 years (full-time)

PhD: Approximately 3 years (full-time)

Full-time enrolment is encouraged, but part-time options for both programmes are available, subject to further discussion.

AIMS OF THE PROGRAMME

This programme aims to provide postgraduate-level training for students, to equip them with the research skills and professional development necessary for teaching and research positions in various industries. Students who have completed 1 year of the MPhil programme also have the opportunity to progress into the PhD pathway, subject to further assessment.

RESEARCH AREAS

The list below covers some broad areas for PhD / MPhil research projects, but is not limited to these areas.

- Clinical Psychology
- Cognitive Psychology
- Comparative Psychology
- Counselling Psychology
- Cross Cultural Psychology
- Developmental Psychology
- Educational Psychology
- Industrial/Organisational Psychology
- Neuropsychology
- Personality Psychology
- Positive Psychology
- Social Psychology

MASTER OF PHILOSOPHY (PSYCHOLOGY) ADMISSION CRITERIA

- A Bachelor degree in psychology (or a relevant area) with a minimum CGPA of 2.75 out of 4.00 (or equivalent).
- A Bachelor degree in psychology with a minimum CGPA of 2.5 and not meeting CGPA of 2.75 can be accepted, subject to rigorous internal assessment and approval.
- Bachelor degree completed in English, OR a minimum score of 5.5 on the International English Language Testing System (IELTS) and submit a sample of written work in English for evaluation.

- Full-time enrolment is encouraged, but part-time options are available, subject to further discussion.

DOCTOR OF PHILOSOPHY (PSYCHOLOGY) ADMISSION CRITERIA

- A Bachelor Degree and Master Degree in Psychology with a minimum CGPA of 3.00 out of 4.00 or equivalent.
- Candidates with Bachelor Degree (non-Psychology, Level 6 MQF) with a minimum CGPA of 3.00 and a Master degree in Psychology with a minimum 45 credits of pre-requisite module in Psychology or a graduate diploma in Psychology or it's equivalent as accepted by the University's senate.
